## PRESS RELEASE

### The new LEBO general catalogue is available!

On 148 pages, LEBO presents its extensive door collection for the house construction, rebuilding and renovation phase. There are inspirations for the new home with new surfaces, designs and furnishing tips. To this end, the people of Münster have expanded their accessories portfolio and are showing trendy black accessories for wooden, glass and sliding doors.

### In detail you can find in the catalogue:

- even more appealing images and product variants
- more details about the special features of the LEBO lacquering on doors
- the new trend surface CPL PREMIUM oak knotty
- new accessories in black
- branded LEBO door handles
- the new, dark surface CPL Premium Bog Oak
- QR codes for precise connection to additional information
- and much more

The new catalogue is available in German, English and French.

As a retailer, you do not yet have a current catalogue or you are not yet a LEBO pro partner, but would like to offer the high-selling LEBO brand in your shop, too? - Then simply contact LEBO customer service.

### **About Lebo GmbH**

Founded in 1871, LEBO is one of the oldest manufacturers of interior doors and frames in Germany. As a medium-sized, family-run company and full-range supplier, LEBO produces standard doors, style doors, design doors and functional doors in a variety of surfaces. In addition, LEBO offers extensive accessories, full-glass doors and e.g. the freedom to make special requests from a quantity of 1 door only. LEBO produces at two locations in Germany and delivers "Quality made in Germany" to over 40 countries worldwide. The company is now 150 years "young".
